K-4th and 5th-7th Grade Camp

This camp is designed for all players that have an interest in playing basketball. Our high school players will be here to help with the camp along with our high school coaching staff. Campers will learn the fundamentals of the game, have daily competitions, and play in a variety of scrimmages. Each camper will receive a camp t-shirt, camp basketball, picture with the players, and a fundamental skills packet.

8th-9th Grade camp

In this camp we will start to implement some of the offense, defense, and drills that will be done at the high school level. This camp will lead into our summer program for our next years 8th and 9th graders. Each camper will receive a t-shirt.

Skills Camp

This camp will be run by coaches from the high school staff. The first 45 minutes of the camp will be strictly fundamentals such as shooting, passing, finishing, ball handling. The second 45 minutes will be 3 on 3 or 5 on 5 games.

Parent/Son Camp

This camp is an interactive camp with a parent and their son. We will do a variety of drills and competitions that can be done together when working on your game. We will also show different aspects of our basketball program that we do. This includes scouting reports and watching film.
