

Core Values of TBC

1. **Skill Development**

Fundamentals are the key to the future. TBC will focus on developing the fundamentals it takes to become a great player. Proper technique on shooting, dribbling, passing, screening, cutting, and rebounding will be emphasized.

2. **Program Development**

Players will learn drills that will be done at the middle school and high school level. They will also be introduced to the beginning concepts of the offensive and defensive systems run at the varsity level.

3. **Learn our Brand**

We want to instill the characteristic traits that we expect in a Chesterton Basketball player. Hard work, toughness, accountability, honesty, respect for others, and unselfishness will be emphasized. We want to develop our mentality of “Play Hard, Play Smart, and Be Tough.”

“Play
Hard,
Play
Smart,
Be
Tough”

Coaching Interest

If you have interest in coaching a team please contact Todd Elliott for a coaching application. Our goal is to have a head coach and an assistant coach for each team.

What is the purpose TBC

The purpose of TBC is to prepare and teach our future players the game of basketball through skill development, competitive competition, and direction on how to play the right way.

Try-Out Process

Try-outs will be run by a member of the high school staff and members of the committee.

Players will go through a series of individual drills, competitive drills, 1 on 1 drills, and 5 on 5 scrimmages.

How Players Will Be Selected

Players will be evaluated by the TBC Director, High School Staff, and a committee of former and current coaches. Players will be notified following the tryouts if they have been selected for a team. Players that do not get selected will be given information on other opportunities to stay involved in basketball.
